Case No. 5:20-cv-03296-VC

**JOINT REPORT REGARDING
ADR**

1 Pursuant to the Court's request in ECF No. 9, the parties met and conferred on August 26,
2 2020, regarding the prospect of case resolution and report as follows:

3 Plaintiff Marvell Semiconductor, Inc. ("Marvell") filed its complaint for declaratory
4 judgment against Monterey Research, LLC ("Monterey Research") on May 14, 2020. Dkt. 1.
5 Marvell and Monterey Research previously reached an agreement for Monterey Research to
6 accept service via email on August 5, 2020 in exchange for Marvell's agreement to allow
7 Monterey Research 60 days to respond to Marvell's Complaint to allow the parties to focus on
8 their ongoing settlement discussions and the court. *See* Dkt. 10. The Case Management
9 Statement is due October 28, 2020 and the Initial Case Management Conference is set for
10 November 4, 2020. Monterey Research's counsel has not yet made an appearance. *Id.*

11 The parties are engaged in discussions relating to potential settlement and, given the early
12 stage of this litigation, do not currently need assistance from a magistrate or the Court's ADR
13 program. Monterey Research has stated that it reserves the right to revisit the possible need for
14 ADR assistance if it does not receive, by September 16, 2020, a counter offer from Marvell.

15 I certify that both Marvell and Monterey Research have been provided with, and are aware
16 of, the General Order for Pending Civil Cases Before Judge Vince Chhabria.

17 Dated: August 26, 2020

Respectfully submitted,
